TWO-DAY FARRIERY & WHOLE-HORSE HOOF CARE CLINIC

OCTOBER 24-25, 2026
SATURDAY & SUNDAY

PRINEVILLE, OREGON

\$550

UNTIL OCTOBER 1ST

Join us for an in-depth, two-day clinic with **Yogi Sharp, The Equine Documentalist (T.E.D.)**. Yogi is a working farrier with a **DipWCF** and a **BSc (Hons) in Farriery Science**. Through T.E.D., he teaches a whole-horse approach to hoof care, grounded in current research rather than tradition alone.

TOPICS INCLUDE:

- ✓ Hoof morphology and biomechanics
- ✓ Dorsopalmar and medio-lateral balance
- ✓ How hoof balance relates to tendon, ligament, navicular and arthritic changes
- ✓ How to shoe for the ideal for the individual horse
- ✓ Objective hoof measurement using HoofmApp
- ✓ Sand pit demonstration
- ✓ Live shoeing demonstration

FOR:

- ✓ Farriers
- ✓ Veterinarians
- ✓ Certified Veterinary Technicians
- ✓ Physios
- ✓ Bodyworkers
- ✓ Educated horse owners
